3.0 Old Business

No old business.

4.0 New Business

The committee reviewed Jane's inspection report for Pioneer Alternative School. She noted on her report that the students' desks were in poor condition with sharp and broken edges. Tonya will ask Deen and the building engineer staff to keep a look out for other desks that are in better shape that might be given to Pioneer.

The committee talked about whether the schools were having regular safety meetings and the question of compliance. Dawna noted that the Central Safety Committee was checking into that.

Site safety inspections will take place prior to next meeting. There will be no meeting in July, but the committee will meet in August after Jane has returned to work.

Jane asked if there had been any reply from Deen regarding the front step to Pioneer. Tonya said she was not aware of any further action, but that Deen had been especially busy this last month.

5.0 Adjourn
